CAMP KINDNESS COUNTS

Empowering, Inspiring and Connecting Kids with Kindness

Camp Kindness Counts believes that **no one is too young** to know their powerful ability to make a difference!

CKC empowers kids to feel that their **thoughts, voices, and actions matter** and can make a positive impact in their communities and the world.

This Winter, the Super Heroes will make an impact through using **Kindness, Gratitude, Wisdom, and Storytelling** to find ways to spread kindness and respect to **family and community members of the elderly generation.**
