

Bellevue PTSA Council invites you to:

A GUIDED TOUR and DISCUSSION OF MATH TEXTBOOKS

Discovering and Holt

Bellevue School District will choose from in March 2010

Find out and ask questions about...

- ◆ the two new middle/high school math series that are being considered
- ◆ what the new Washington State math standards mean for your child
- ◆ the new Washington "end-of-course assessments" (which will replace the WASL as a high school graduation requirement)
- ◆ how students can best prepare for their chosen futures

Offer your opinions to members of the Math Adoption Committee about...

- ◆ what you want for your children
- ◆ the two piloted math textbooks that will be used by all current school-age students (next adoption most likely in 8 - 12 years, judging by the District's past adoption schedule)

Please join us Monday, February 8, 7:00-9:00 pm
International School Cafeteria
445 128th Avenue SE
Bellevue, WA 98005
